

Name KRISHNA KIRAN EACHEMPATI

Present Address House number 17-1-383/N/25, Nagarjuna Colony,
Near Champapet, Hyderabad, 500079, Andhra
Pradesh, India

Telephone Number 91-0-98480 74511,91-40-24076249

Date of Birth & Age 10th, August 1975

Marital Status: Married,

IMC Registration **Registration No- 41484**

QUALIFICATIONS

MBBS June 1998
Gandhi Medical College, Hyderabad, India

MS (Orth) July, 2001
All India Institute of Medical Sciences, New Delhi,
India.

**J&J Fellowship in
Arthroplasty** July- December, 2001
All India Institute of Medical Sciences, New Delhi,
India.

Fellow in Arthroplasty Schwarzwald baar Klinikum, Schwenningen Germany

Awards

- Mangala Shankar Rao Award, May 1994,
Awarded to the topper in the subject of
physiology in the Final M.B.B.S. examination,
N.T.R. University of Health Sciences.
- Distinction in Biochemistry, Physiology,
Pharmacology and Microbiology

- University 1st in 1ST MBBS
- **Winner of the State level Psychiatry quiz (Jaya Nagraj memorial Award)**
- **Adjudged the best outgoing undergraduate of Andhra Pradesh for the year 1997 in the field of Medical sciences by Prashanti Society**

Present Post:

Director Orthopedics

Maxcure Hspitals, Madhapur

Previous position

Consultant Orthopedic surgeon, KIMS hospital, Hyderabad

I worked with Krishna Institute of Medical Sciences, which is a 750-bedded multi super speciality private hospital as a consultant from June 2009 till 31 October 2014

Research and Publications:

1. Thesis

Clinico Radiologic Evaluation of Simultaneous and Unilateral total Knee Arthroplasty under the guidance of Prof. S. Bhan, Dept. of Orthopedics, AIIMS. [Paper based on the research published in Indian Journal of Orthopedics]

Thesis accepted for completion of **Master of Surgery in Orthopaedics**, November 2000.

2. Abstracts

1. Kumar R, **Kiran EK**, Malhotra R, Bhan S: Surgical management of the severely displaced supracondylar fracture of the humerus in children. **Year Book of Orthopedics** 2003. Eds. Bernard F. Morrey, Christopher P. Beauchamp, Hamlet A. Peterson, Marc F. Swiontkowski, Stephen D. Trigg and Michael J. Yaszemski. Mosby, Philadelphia; Page 52-53.
2. Yadav CS, **Kiran EK**: Biology of massive bone allografts. In proceedings of National symposium on musculoskeletal allografts
3. **Eachempati KK**, Dua A, Malhotra R et al: Efficacy of the external rotation method in the reduction of acute anterior dislocations and fracture dislocations of the shoulder: A prospective review: Abstract in proceedings

of DOACON 2005

4. Dua A, **Eachempati KK**, Malhotra R et al: Assessment of bone allografts in acetabular reconstructions in primary and revision arthroplasty. Abstract in proceedings of DOACON 2005

5. **Eachempati KK**, Bhan S, Malhotra R: "Primary Cementless total hip Arthroplasty for bony ankylosis in patients with Ankylosing Spondylitis" Abstract in 75th annual meetings proceedings, page 425

3. Letters

'Letter' Logani V, **Eachempati KK**, Malhotra R, Bhan S: Spontaneous tendon ruptures in alkaptonuria. (Correspondence) J Bone Joint Surg (Br), 86B, 1090,2004-11-10

4. Case reports

1. 'Case Report' Bhavuk Garg, **Krishna KE**, R. Malhotra, Bhan S. "Productive sinus of the proximal humerus" Post Graduate Medical Journal 2005; 81: 411-412
2. **Case Report**' Garg B, Sharma V, **Kiran EK: An unusual presentation of eosinophilic granuloma in an adult: a case report** J Orthop Surg (Hong Kong). 2006 Apr; 14:81-3

5. Technical Notes

- i. **E. Krishna Kiran**, R. Malhotra: Varus derotation osteotomy for the treatment of persistent dysplasia of hip. Orthopaedics Today vol. II, No.1; 18-26, Jan-March 2000
- ii. **E. Krishna Kiran**, Malhotra R: Technique of closed reduction and percutaneous pinning of widely displaced supracondylar fracture of humerus. Orthopaedics Today 2003: Vol. V (No.4); 81

6. Papers

1. **Eachempati KK**, Dua A, Malhotra R et al: Efficacy of the external rotation method in the reduction of acute anterior dislocations and fracture dislocations of the shoulder: A prospective review. J Bone and Joint Surg (A).vol 86 number 11, 2431-2434, November 2004
2. Kumar R, **Kiran EK**, Malhotra R, Bhan S: Surgical management of the severely displaced supracondylar fracture of the humerus in children: Injury 2002, 33: 517-522.

3. Bhan S, Malhotra R, **Eachempati KK** et al: Midterm Comparative analysis of IB- II versus LCS at minimum 4.5 years follow up. J Bone and Joint Surg Vol. 86-A, Issue 11, Pages 2431-4, 2004,
4. Malhotra R, Bhan S, **Eachempati KK**: Recurrent hemarthrosis following total knee arthroplasty due to isolated pf3 availability defect. J of Bone and Joint Surgery (B) 2005,87-B: 1549-1552
5. Bhan S, Malhotra R, **Eachempati KK**: Prospective evaluation of total knee arthroplasty without patellar resurfacing in severely degenerated knees with rheumatoid arthritis: A mid term follow up study. Clinical Orthopaedics & Related Research. 450:157-163, September 2006.
6. Bhan S, Malhotra R, **Eachempati KK**: Total knee arthroplasty in patients with stiff and ankylosed knees: A mid term follow up study. Clinical Orthopaedics & Related Research. 451:87-95, October 2006

Specialization and special interests

Computer navigated minimally invasive hip and knee replacement

Revision hip and knee replacement including 1 stage revision for infection

Arthroscopy knee

Acetabular trauma surgery including anterior approaches (ilioinguinal and modified stoppa)

Limb reconstruction for bone tumours
